3:00pm	School day ends

OFFICE HOURS 8:00am – 3:30pm

SCHOOL MOTTO *“Learning for Life”*

SCHOOL COLOURS GREEN AND GOLD

School Origins & Emblem

The school is named after a clan of the Darumbal aborigines who lived south of the Fitzroy River around the present location of Gracemere and Kabra. The name is taken from the WARA or *wild guava* historically found growing in the area. BURRA is the suffix meaning "clan" or people thus WARABURRA is translated to mean "people of the wild guava".

Our school emblem is so designed to represent the partnership involved in '*Learning for Life*'. The four figures holding hands in a circle are representative of the four sections of our school community - students, teachers, parents and wider community. The linked hands are symbolic of the need for all sections to work harmoniously together to achieve our goals.

The four figures create four distinctive **W**'s for Waraburra.

The gold central star formed by the figures represents the life given by the flowering guava plant. This reference to the guava and the simplistic figures ties the school in with the origins of WARABURRA.

The **Y**'s formed by the legs of each figure indicates the hope we have in the future for our youth.

From the Principal

Firstly, I would like to thank you for choosing Waraburra State School and the team of dedicated teachers and support staff to provide an education for your child. Whether your child is starting Prep or they are enrolling at the school, during their education, Waraburra staff are dedicated to providing the right learning environment for your child to progress and prosper.

Our belief is that every child can and should learn to their full potential. This is enacted at Waraburra through an inclusive, engaging and equitable learning environment. We also firmly believe that parents and carers are paramount to the learning cycle and as teachers our role is to continue the learning you have provided as your child's "first teacher" through their early development.

If at any time you require additional information about your child's progress, please contact the school to speak with one of Administration team to discuss your concerns. The school has a team of highly skilled staff including fully qualified and experienced teachers, caring support staff, a Deputy Principal, a Guidance Officer, Head of Special Education Services and Head of Department-Curriculum. I look forward to being able to meet with you and your child to discuss their enrolment and conduct a tour of the school's facilities.

Values & Mission

At Waraburra we are working at delivering learning experiences for our students in new ways that creates

“Learning for Life”

As a school, staff and trained professionals in the delivery of quality education programs and curriculum engagement, we strive to uphold our values of:

- Effective relationships
- High Expectations
- Students Achieving
- Making positive choices for learning.

Our students are explicitly taught the school values and expectations around

These are further unpacked in the Student Code of Conduct, available in the enrolment pack and from the school's website.

Curriculum

Our Waraburra State School curriculum program is the sum of the learning experiences students receive from the school, both in and outside the classroom.

Teaching and learning at Waraburra State School incorporates:

- English
- Mathematics
- Science
- HASS
- Health and Physical Education
- The Arts
- Technology
- Languages
-

These key learning areas are taught according to the Australian National Curriculum using the Queensland Curriculum into to Classroom (C2C) materials as a basis for the curriculum delivery.

The Arts and Technology are a feature of every classroom program of instruction at Waraburra State School. Specialist lessons are taught by qualified staff in Music, Japanese Languages (in year 5 and 6 only) and Health and Physical Education.

Co-curricular Programs

Instrumental Music

Instrumental Music is offered to children in years 4 to 6. Qualified instrumental teachers offer programs in strings, percussion, brass and woodwind. Students can commence in the strings program from Year 4. Students wishing to learn woodwind instruments or percussion commence in Year 5. The Program offers the following instruments:

- Strings - violin, viola and cello
- Woodwind - flute, clarinet, saxophone, trumpet, French horn
- Percussion - students learn various instruments including drums, xylophone, maraca, marimbas and glockenspiels

Students can hire an instrument from the school for their first of instruction, with an expectation that they purchase their own instruments in consequent years. A cost is incurred per student for the Music library and copyright costs.

Students participating in the Instrumental Music program are expected to consistently attend lessons, rehearsals and organised performances.

Religious Instruction

Religious instruction (RI) is offered at the school, through an authorized Ecumenical program.

Parents of child/ren participating in these programs will be advised if a faith group requires funds to cover the expense of materials used in RI.

Students are allocated to RI based on information provided by parents on the completed [Application for Student Enrolment](#) unless other written instructions have been provided to the school.

Note: *This information remains operational unless the parent informs the school otherwise in writing.*

Students who are not participating in RI will be provided with other instruction in a separate supervised location. Other instruction must relate to part of a subject area already covered in class and may include, but is not restricted to:

- personal research and/or assignments
- revision of class work such as creative writing or literacy and/or numeracy activities
- wider reading such as independent reading appropriate to the student

Parents will be advised of any changes to the RI and other instruction programs to ensure they are able to make an informed decision on their child's participation.

Sport

The school sport program involves at school games, interschool sport competition, as well as inter house competition. Major sports include – netball, tee-ball, softball, athletics and rugby league. The emphasis in sport is participation. Interschool sport operates for students in Years 5-6 on Friday afternoons in the winter months.

House Teams are Archer (red), Kelly (green), Leichhardt (white) and Mackinlay (gold). House colours are worn at our inter house athletics carnivals and on Thursdays.

Swimming classes are held in the first and last terms of the school year. Swimming is a compulsory curriculum activity for children from Prep to Year 6. There is a fee for the cost of transport to and from the pool. Permission to withdraw a child from this activity may be obtained by medical certificate from your Doctor or by writing a letter to the principal stating reasons for the withdrawal. Valid excuses include health, physical disability or other medical conditions.

The school supports Safe Sun practices and students are encouraged to wear a sun safe shirt when swimming. Parents are reminded that jewellery is to be removed before entering the pool.

Student Management

Access to Grounds

Students and other members of the public are only allowed on school grounds after hours with **authorisation from the principal**. This is provided with written confirmation outlining times and areas of access and supervision arrangements. It is expected that students with authorised access will be supervised by an adult at all time.

Members of the public who witness unusual behaviour within our grounds after hours are encouraged to report any incidents to the police. You may call School Watch on PH. 13 17 88 to report suspicious activity in the grounds.

Arrival/Dismissal

It is advisable that children arrive at school no earlier than 8:30am. At this time students will be involved in physical activity (walking on oval etc) until 8:45am, where they return to class and begin learning by 9:00am. ALL children arriving before 8:15am are NOT under direct supervision so are required to assemble in Covered Games Area 1 (near Tuckshop) for safety reasons and remain seated quietly until released by the supervising staff member.

Non-bus children, unless involved in extracurricular activities such as sport, are encouraged to leave the school grounds as soon as possible after being dismissed by the teacher at 3:00 pm.

Attendance & Absences

Regular attendance is required by law. Parents and school must assume the responsibility for regular attendance. Parents are asked to advise the school in the event of an absence.

In the event of an absence, the parent must provide the school with a reasonable explanation for the absence either by phone call to the office, student absence line, a written explanation via email to admin@waraburrass.eq.edu.au or responding to the daily absence notification sent via SMS.

All late arrivals or early departures must all go through the office. They will be recorded electronically by administration staff.

Bicycles/Pedestrians

Students are not to ride their bicycles, scooters or skateboards within the school grounds. It is a requirement that students dismount their bicycle and walk it to the bike racks. ***Bicycles and scooters must be locked to the bike racks and or scooter bay for security.*** Children walking to school must use the pedestrian crossings at all times when accessing the school via Johnson Road and Middle Road.

Enrolments

Documentary evidence of date of birth is required for students enrolling for the first time in the State education system:

- a) Birth Certificate (Extract) or
- b) Statutory Declaration

Enrolment meeting with the Principal can be organised with the enrolment officer.
 We recommend you bring along books and school items your child has used at the previous school.

Uniforms

The school uniform consists of a green and gold shirt as depicted below. Green shorts, skirts or skorts are worn to match the school shirt.

Finance

Throughout the year, students will be offered the opportunity to attend social, cultural, excursion and sporting events that may incur an on cost to families. Invoices for these will be forwarded to parents for payment through BPoint, QKR, CentrePay or through a direct cash payment to the school. If at any time, payment of these fees becomes difficult for families, please arrange a time to meet with the principal or Business Manager to discuss payment options.

Emergency Evacuation & Lockdown Procedure

The school practices two emergency procedures – evacuation and lockdown. Both of these procedures have distinctive alarm signals within the school for all personnel.

An **evacuation** procedure is followed when it is necessary to have all personnel leave the buildings and grounds (e.g. fire). In this situation students must follow teacher instruction and walk calmly/quietly to the assembly area (multi- purpose courts).

A **lockdown** procedure is applied when it is necessary for all personnel to remain within the building in a secured environment (e.g. severe weather warning, chemical spill, critical threat to the school site). In this situation all students and staff remain in classrooms. When safe, communication with the office is used to ascertain everyone’s whereabouts. In the situation of a lockdown it is likely that access to the school and potentially the adjoining roads will be denied to all “outsiders” including parents.

Leaving School Grounds

Students are not permitted to leave the grounds unless the school has been notified by the child’s parent/guardian. ALL students being collected during school hours must be signed out through the office. An Early Departure slip with explanation for the departure can then be handed to the child’s teacher.

Transfers

Students enrolled in the state sector can seek transfer at any time to other schools across the state. This process is enabled electronically through our transfer policy. Data and student records will be forwarded on notification of arrival to the forwarding school.

Updating School Records

Please advise the office of any changes to address, phone numbers, medical conditions, family circumstances or contact details as soon as possible. These changes are often overlooked and mean that in an emergency valuable time can be lost due to records being out of date.

Student Services

Lost Property

Please ensure all your child’s belongings are clearly marked. Lost property is placed inside the Sports Room in the Amenities Block 1. All lost property is periodically checked for names and where possible returned to the owners. Parents are welcome to go through these items at any time to look for lost belongings. Lost property is placed out in the Covered Games Area at the end of the term for parents to check. Any lost property remaining is then given to charity.

Tuckshop

Our tuckshop currently operates on Wednesday, Thursday and Friday for 1st and 2nd lunches. Orders can be placed using the Qkr app available for iOS and Android devices. Orders are electronically submitted to the school’s tuckshop and is the preferred payment method. Alternatively, orders can be printed

clearly on paper bags with student's name, class, chosen order, the price with the total amount enclosed. Orders are placed in the green tin box at the tuckshop before school. Parent helpers are always welcome.

A limited range of items are available for purchase over the counter for Year 3-6 students. Special arrangements can be made through the office in emergency cases when lunches have been left at home.

Breakfast Club

The school offers a Breakfast Club for all students to access on Tuesday, Wednesday and Thursday mornings from the Hall canteen. The food is prepared by our wonderful band of volunteers, with food donated from charitable organisations across the Rockhampton and Gracemere areas.

Information Communication Technology

The school has a large number of current and emerging technologies for students use, including

- Laptop and desktop computers
- Interactive Whiteboards and panels
- iPads and touchscreen devices
- Robotics kits and peripherals

The school utilises the Education Queensland student network to connect all devices to the internet and web-based applications. Anti-virus programs and monitoring of websites and emails is also a feature of our network systems. Inappropriate websites are alerted and blocked by the Managed Internet Service.

The school hosts its own website at www.waraburrass.eq.edu.au General school information about curriculum, teaching and learning can be found at our website together with stories of events and learning initiatives from the classrooms.

Governance

Parents & Citizens Association

The Parents and Citizens Association meets in the staff administration room on the third Wednesday of each month at 3:15pm. We encourage all parents and interested community members to attend the meetings. The P & C Association is a vital organisation for our school. As well as fundraising it provides a vehicle to discuss issues of concern relating to our school, students and community. Your support and attendance is vital.

Health

Dental Services

The school dental van moves to various schools around Rockhampton on a rotational basis. When the van visits our school, forms will be sent home prior to the vans arrival. Emergency dental work can be provided through school dental services in Rockhampton. Alternatively, you can ring Waraburra State School office for the number of the dental van and we will happily pass it on for you.

Headlice

The control of head lice in a school community requires consistent effort from everyone with regular inspection, treatment and communication with the school. Once the school has been notified of a case of head lice a general note is sent home with all the students in that class. The note also reminds everyone to be vigilant in checking their own child's head and treat if necessary.

Infectious Diseases

The National Health and Medical Research Council (NHMRC) provide '*Recommended minimum periods of exclusion from school, pre-school and child care centres for cases of and contact with infectious diseases*'.

A copy of exclusion conditions for many common infectious diseases is included as *Appendix 1*.

Medication

The office should receive notification of **ALL** medication coming to school (including self-administered Ventolin). Forms are available from the office. If your child is on medication and you require staff to administer this medication during school hours be sure to advise the school (using the prescribed form/s) as to the medication, the time, the dosage and the method to be used in administering it.

The medication must be in the **original** dispensed container marked with the prescribing doctor's name, pharmacy, child's name, dose and time to be administered. Medication other than that prescribed by a doctor **cannot** be administered by school staff. For hygienic reasons, students are asked to provide a drinking cup or medicine glass (named).

New forms should be completed at the commencement of **each** year or when the doctor prescribes a variation to the medication and/or dosage.

Self-administration

- Note the students whose parents/carers have approved for them to self-administer their asthma medication (as recorded in OneSchool medical records).
- Approve students to be responsible for self-administration of medication and self-management of health conditions under the following conditions:

- consultation has occurred with parent/carer and student/s regarding arrangements for the self-administration of medications and self-management of health conditions and the risks associated with self-administration in a school setting
- the parent/carer, school and prescribing health practitioner, as required, have determined the student is responsible enough to undertake self-administration of medication at school
- the parent/carer has provided the school with written advice supporting self-administration as provided by the prescribing health practitioner
- agreement has been reached amongst the student, parent/carer and relevant school staff as to where medication is stored and where it is administered.
- Notify staff if students are self-administering medication and ensure staff are aware of self-administration and self-management of medications and health conditions.
- Ensure staff who supervise students who self-administer by injection or injecting pump are provided with training by a qualified health practitioner.

A Request to Self-Administer Medication Form needs to be filled out by the parent/carer.

Student Support

Specialist services

A range of school based and visiting personnel provide specialist support to identified students. Personnel range from Guidance Officers, Speech Language Pathologists, Health Nurses and Occupational Therapists.

Guidance Officer

Students can access guidance and counselling services with the permission of the parent/caregiver. The Guidance Officer will also engage parents and carers in case meetings that support student social, emotional, wellbeing and academic progress.

Speech Language Pathologist

A speech language pathologist visits the school on a regular basis to assist children who have speech and language problems. The pathologist also assists teachers and parents with programs for identified students.

Chaplaincy Services

We have a school Chaplain who visits the school 2 days per week. The chaplain plays an important role supporting students in our school. The Chaplain will assist with sporting and cultural programs, attend school camps, assist in classrooms, run programmes that help students develop social and life skills, and play games at lunchtime. Teachers, Parents and Students may request to see the Chaplain for support. Our Chaplain visits our school on a Thursday and Friday.

Parent Services

School transport Assistance Scheme

Are you eligible for a conveyance allowance?

- ✓ Use private vehicle;
- ✓ Cannot travel to school by bus;
- ✓ Your home (front door) is over 3.2 km from nearest school (child under 10);
- ✓ Home is over 4.8 km from nearest school (children over 10). **OR**
- ✓ Use private vehicle to travel more than 3.2 km to school bus;
- ✓ Home over 4.8 km from nearest school.

Conveyance forms and applications for Bus Transport Assistance are available from the Department of Transport.

Nb. Distances wherever mentioned above are by the shortest trafficable route.

Newsletter

The newsletter is made available through email, the school website and Facebook on every second Friday. Items of interest to the school community may be included in this publication by parents and citizens.

Parent/Carer Participation

Research shows that students achieve greater success when the significant adults in their life play a part in their formal education. As a parent we encourage and appreciate your involvement in education by responding to our parent opinion surveys, becoming active in the Parents and Citizens' Association and where possible, volunteering around our school.

During the period since the school opened, a number of mothers, fathers and grandparents (with Blue Cards) have been providing voluntary help in the classrooms and library. Their help has been greatly appreciated.

Tasks in which parents have been involved have been varied and include assisting children with reading, maths, science activities, preparing materials, coaching sports, supervision on camps and excursions, working bees just to name a few.

You are encouraged to become involved in the school in this manner. Please discuss with your child's teacher what you'd like to be involved in.

Vehicles in School Grounds

Only vehicles belonging to people on official business are allowed in the grounds. Parents collecting their children and all other vehicles are requested to park in the zones established off Johnson Road and Middle Road. **Parking in the bus zone and Disabled Park is strictly prohibited.**

Visitors

All visitors to the school campus **MUST** sign the Visitor's Register at the office.

School Parade

Each Friday morning the school holds a parade to celebrate the students' achievements. All members of the community are welcome to attend.

Appendix 1.

Condition	Person with the infection	Those in contact with the infected person (The definition of 'contact' will vary between diseases)
*Chickenpox (varicella)	EXCLUDE until all blisters have dried, and at least 5 days after the onset of symptoms. ¹	EXCLUSION MAY APPLY EXCLUDE non-immune pregnant women and any child with immune deficiency or receiving chemotherapy. Advise to seek urgent medical assessment. Contact your Public Health Unit for specialist advice. Also see Shingles information below.
Cold sores (herpes simplex)	NOT EXCLUDED if the person can maintain hygiene practices to minimise the risk of transmission. Young children unable to comply with good hygiene practices should be excluded while sores are weeping. Sores should be covered with a dressing where possible.	NOT EXCLUDED
Conjunctivitis	EXCLUDE until discharge from eyes has ceased unless a doctor has diagnosed non-infectious conjunctivitis.	NOT EXCLUDED
*COVID-19 ²	EXCLUDE those who have symptoms and relevant contacts. ¹ See latest Queensland Health guidance for exclusion periods and criteria. Contact your Public Health Unit for specialist advice.	EXCLUSION MAY APPLY Contact your Public Health Unit for specialist advice.
Cytomegalovirus (CMV)	NOT EXCLUDED pregnant women should consult with their doctor.	NOT EXCLUDED pregnant women should consult with their doctor.
Diarrhoea and/or Vomiting <i>including:</i> • amoebiasis • campylobacter • cryptosporidium giardia • rotavirus • salmonella • *gastroenteritis <i>but excluding:</i> • *norovirus • shigellosis • toxin-producing forms of E.coli (STEC) See advice for these specific conditions below	Exclusion periods may vary depending on the cause. EXCLUDE a single case until the person, has no symptoms ¹ (includes vomiting if applicable), is feeling well and they have not had any loose bowel motions for at least 24 hours or if the person has confirmed norovirus exclude for at least 48 hours. ¹ EXCLUDE all persons who prepare or serve food until they have not had any diarrhoea or vomiting for 48 hours. NOTE: If there are 2 or more cases with diarrhoea and/or vomiting in the same location, which may indicate a potential outbreak OR a single case in a food handler, notify your Public Health Unit. Diarrhoea: 3 or more loose stools or bowel movements in a 24 hour period that are different from normal and/or escapes a child's nappy. See information below if norovirus is confirmed or considered likely as the cause of diarrhoea and vomiting.	NOT EXCLUDED
*Enterovirus 71 (EV71 neurological disease)	EXCLUDE until written medical clearance is received confirming the virus is no longer present in the person's bowel motions. ¹	NOT EXCLUDED
Fungal infections of the skin and nails (ringworm/tinea)	EXCLUDE until the day after antifungal treatment has commenced. (No exclusion for thrush).	NOT EXCLUDED
Glandular fever (mononucleosis, Epstein-Barr virus)	NOT EXCLUDED	NOT EXCLUDED
*German measles (rubella) ³	EXCLUDE for 4 days after the onset of rash ¹ or until fully recovered, whichever is longer. Pregnant women should consult with their doctor.	NOT EXCLUDED pregnant women should consult with their doctor.
*Haemophilus influenzae type b (Hib)	EXCLUDE until the doctor confirms the person is not infectious and has completed 4 days of appropriate antibiotic treatment. ¹ Contact your Public Health Unit for specialist advice.	EXCLUSION MAY APPLY Contact your Public Health Unit for specialist advice.
Hand, foot and mouth disease	EXCLUDE until all blisters have dried.	NOT EXCLUDED
Head lice	Exclusion is not necessary if effective treatment is commenced before next attendance day (i.e. the child does not need to be sent home immediately if head lice are detected).	NOT EXCLUDED
*Hepatitis A ⁴	EXCLUDE until at least 7 days after the onset of jaundice; ¹ OR for 2 weeks after onset of first symptoms, including dark urine if there is no jaundice. If a person is asymptomatic contact your Public Health Unit for Specialist advice.	NOT EXCLUDED Contact your Public Health Unit for specialist advice about vaccination or treatment for children and staff in the same room or group, children transferring to another centre and new enrolments.

Condition	Person with the infection	Those in contact with the infected person ¹
Hepatitis B and C	NOT EXCLUDED cover open wounds with waterproof dressing.	NOT EXCLUDED
Hepatitis E	EXCLUDE until at least 2 weeks after the onset of jaundice.	NOT EXCLUDED
Human immunodeficiency virus (HIV/AIDS)	NOT EXCLUDED cover open wounds with waterproof dressing.	NOT EXCLUDED
Influenza and influenza-like illness	EXCLUDE until symptoms have resolved, normally 5–7 days.	NOT EXCLUDED
*Measles ²	EXCLUDE until the doctor confirms the person is not infectious but not earlier than 4 days after the onset of the rash. ³ <i>Contact your Public Health Unit for specialist advice.</i>	EXCLUSION MAY APPLY NOT EXCLUDED vaccinated or immune contacts. EXCLUDE immuno-compromised contacts (including those receiving chemotherapy) until 14 days after the appearance of the rash in the last case. EXCLUDE non-or incompletely vaccinated contacts, without evidence of immunity. <i>Contact your Public Health Unit for specialist advice.</i>
Meningitis (bacterial)	EXCLUDE until well and has received appropriate antibiotics.	NOT EXCLUDED
Meningitis (viral)	EXCLUDE until well.	NOT EXCLUDED
*Meningococcal infection ²	EXCLUDE until the treating doctor confirms the child is not infectious and at least 24 hours of appropriate antibiotics have been completed. ¹ <i>Contact your Public Health Unit for specialist advice.</i>	NOT EXCLUDED <i>Contact your Public Health Unit for specialist advice about antibiotics and/or vaccination for close contacts.</i>
Molluscum contagiosum	NOT EXCLUDED	NOT EXCLUDED
Mumps	EXCLUDE for 5 days after onset of swelling. Pregnant women should consult with their doctor.	NOT EXCLUDED pregnant women should consult with their doctor.
*Norovirus	EXCLUDE until no symptoms and no loose bowel motions for 48 hours. ¹	NOT EXCLUDED
Roseola, sixth disease	NOT EXCLUDED	NOT EXCLUDED
Scabies	EXCLUDE until the day after treatment has commenced.	NOT EXCLUDED
School sores (impetigo)	EXCLUDE until 24 hours of appropriate antibiotics have been completed. Cover sores on exposed areas with a waterproof dressing until sores are dry, and encourage handwashing.	NOT EXCLUDED
Shiga toxin-producing E.coli (STEC)	EXCLUDE until diarrhoea has stopped and 2 samples have tested negative. <i>Contact your Public Health Unit for specialist advice.</i>	EXCLUSION MAY APPLY <i>Contact your Public Health Unit for specialist advice.</i>
Slapped cheek syndrome, fifth disease (parvovirus B19, erythema infectiosum)	NOT EXCLUDED pregnant women should consult with their doctor. Note: Children are contagious until 24 hours after the fever resolves. Rashes generally occur after the infectious period has passed.	NOT EXCLUDED pregnant women should consult with their doctor.
Shigellosis	EXCLUDE until there has been no diarrhoea or vomiting for 48 hours. <i>Contact your Public Health Unit for specialist advice.</i>	EXCLUSION MAY APPLY <i>Contact your Public Health Unit for specialist advice.</i>
Shingles (herpes zoster)	EXCLUDE all children until blisters have dried and crusted. EXCLUDE adults if blisters are unable to be covered. NOT EXCLUDED in adults if blisters can be covered with a waterproof dressing until they have dried.	EXCLUSION MAY APPLY <i>Contact your Public Health Unit for specialist advice, including advice for pregnant women and any person who is immuno-compromised (including receiving chemotherapy).</i>
Streptococcal sore throat (including scarlet fever)	EXCLUDE until 24 hours of appropriate antibiotics have been completed.	NOT EXCLUDED
*Tuberculosis (TB) ²	EXCLUDE until written medical clearance is received from the relevant Tuberculosis Control Unit.	NOT EXCLUDED
*Typhoid ² and paratyphoid fever ²	EXCLUDE until appropriate antibiotics have been completed. ¹ Stool sample clearance will be required, <i>contact your Public Health Unit for specialist advice.</i>	EXCLUSION MAY APPLY <i>Contact your Public Health Unit for specialist advice.</i>
*Whooping cough (pertussis) ²	EXCLUDE until 5 days after starting appropriate antibiotics or for 21 days from onset of cough AND confirmed that they are not infectious. ¹ <i>Contact your Public Health Unit for specialist advice.</i>	EXCLUSION MAY APPLY for contacts of an infected person. <i>Contact your Public Health Unit for specialist advice regarding exclusion of non-or incompletely vaccinated contacts.</i>
Worms	EXCLUDE until diarrhoea has stopped for 24 hours and treatment has occurred.	NOT EXCLUDED
